**PARKS AND COMMUNITY CENTERS COMMITTEE MEETING**

**Thursday, August 4, 2011**

Albert Kelly Park

7:00-9:00 pm

**Reminder: We'll be at Albert Kelly Park for this August meeting. It's in the Bridlemile neighborhood just off Dosch Rd at Mitchell St. If you're coming from the south, go straight north up Dosch Rd from B-H Hwy. You'll take a 90 degree turn to the west and then a 90 degree turn back to the north, and then you'll go a very short distance to turn left onto Mitchell. Mitchell is lollipop dead-end; you should be able to find parking there.**

**We'll have some guests—about ten city managers from Japan here on a program through PSU. They'll join us mainly to observe but we'll spend at least some time welcoming them and maybe answering questions.**
