

South Burlingame Neighborhood Association Meeting Minutes
Jan 13, 2010

Welcome and call to order

Attendees: Betsy Shand, Chair; Sam Pearson Board Member, Lynn Pearson Board Member, Gordy Molitor Board Member; Sandy Morgan Board Member, request submitted by Suzie Carmichael, SBNA resident

Sign Caps have been at the sign maker and we are still hoping for installation by City crews sometime soon. The City said they would have them up in early Jan. 2011, but we are still waiting.

METRO Grant application is in as submitted by JJ Kwan, Board Member. These funds to be used for a sign board at the Park for neighborhood news.

SBNA resident Suzie Carmichael would like the NA to consider some plantings along SW 5th like we have done in the other areas that needed attention in the neighborhood. Refer out to Sustainability committee for help.

Sandy Morgan Transportation committee rep brought us up to date on the Hillsdale Launch for the Main Street party Feb. 10th – you can still get there and attend the SBNA meeting that night at 7:00 PM!!

No voting at this meeting.

Adjourn 7:50 PM.
