Safety in Our Neighborhood!*

“Back to School” Safety Vigil SW 45th & Vermont Streets in SW Portland Wednesday, August 28, 2019 7:00 – 9:00 am

The Hayhurst Neighborhood Association will be conducting a Safety Vigil to highlight local schools beginning classes on Wednesday, August 28, 2019. Portland Public Schools students will be back on our neighborhood streets walking and biking to school after their Summer Break. The Hayhurst Neighborhood Association is planning a Safety Vigil at the corner of SW 45th Avenue & Vermont Street. We plan on conducting the vigil from 7:00 – 9:00 am.

Our goal is to remind drivers that children, youth, and parents will be walking and biking to school throughout the school year. Even though important safety improvements have been made to SW Vermont Street, drivers still need to be aware of slowing down and watching for pedestrians and bicyclists. The Portland Police Bureau will be present to enforce speed limits in the school safety zone on SW Vermont Street.
